

**Remarks/Arguments**

Please reconsider the application in view of the above amendments and the following remarks. Claim 6 has been amended. Claims 7 and 8 have been canceled without prejudice. It is believed that no new matter has been added by way of any the amendments provided herein.

**Claim Objections**

Claim 6 line 7, the word "signal:" has been amended to read "signals" in line with the Examiner's suggestion.

**Claims Rejections under 35 USC §102**

Applicant has amended claim 6 by introducing the features of claims 7 and 8 as previously presented, in which old claim 8 (now canceled) recites features deemed by the examiner to contain allowable subject matter.

Claims 16 to 19 are dependent on claim 6, which by virtue of the amendments now made to the base claim, render the dependant claims 16 to 19 also allowable.
